

## IEBA Conference, Brussels 2023 - photo special

*223 participants from 28 countries, some from as far afield as Argentina, Brazil, USA and Japan, made the 21st Annual Conference a resounding success.*

IEBA held another very successful conference on 14 and 15 June 2023 in Brussels, the event producing an all-time record attendance. This was the 15th time we have held our Annual Conference in Brussels, in our new larger location which enabled us to accommodate a record-breaking number of delegates.

Innovations for 2023 included an increased number of breakout sessions (12 instead of 8), and an optional pre-conference training session for people new to international benefits, which was well attended and judged a success.

Brussels has proved to be the ideal location where we can easily replicate and build on the previous highly successful annual conferences, where we have enjoyed consistently high levels

of attendance from a wide variety of countries and received consistently positive feedback regarding all aspects of the conference. Most importantly, given the high number of delegates, our efforts to balance the proportion of employers to service providers (consultants, insurance companies, etc) paid off.

Copies of the presentations are available on the IEBA website for members who are logged in and have paid their subscriptions.

Just like June 2022, delegates were delighted to meet up in person again, as was evident from the ambiance throughout the event.....see what some thought on the following pages....

## IEBA Conference, Brussels 2023 - photo special continued

*"...very much appreciated the focus on timekeeping, everything started on time and very little to no overrun. This shows respect for the attendees and it is acknowledged..."*

*"...the quality of sessions was overall extremely high, I took away an awful lot..."*

*"...as a first timer, it was great to be a part of this conference and learn more about IEBA. I'll definitely try to be there next year..."*

*"...well attended and excellent speakers. Breakout sessions insightful..."*

*"...fantastic experience and event well ran from start to finish..."*

*"...one of the best conferences I have attended..."*

*"...relevant topics and great to have case studies from employers..."*

## IEBA Conference, Brussels 2023 - photo special continued

*“...another great IEBA event ! ...”*

*“...very good attendance overall for both number and balance of roles...”*

*“...Excellent! More presentations with this standard...”*

*“...hotel venue is great and Chateau remains a very nice highlight of the conference...”*

*“...good opportunity to speak with and not about employers...”*

*“...the organisation, the app, the hotel and the value for money was very good and better than comparable events...”*

*“...another great IEBA event ! ...”*
